Client Consent for Care:

I, _____, have completed this form to the best of my knowledge and will inform my massage therapist of any future changes in my physical health. I am over the age of 18 or have parent or guardian permission. I understand that massage therapy is strictly a therapeutic, non-sexual health aide and does not replace medical advice given by my physician. My massage therapist cannot diagnose or prescribe any illness, disease, or any other mental, physical, and or emotional disorder. I am responsible for consulting my physician for any ailments that I may have concerns about. I have taken it upon myself to inform my massage therapist if I experience any pain or discomfort during the session so the treatment can be modified. I have read the practice policies and procedures and agree to these terms. It is my choice to receive massage therapy and I give consent to receive treatment and will consider recommendations to help me achieve my wellness goals.

Covid-19 Specific Informed Consent

I understand that close contact with people increases the risk of infection from COVID-19. I understand it is not possible to consider every possible complication to care.

I have read and I agree to the Practice Policies, Consent for Care, and Covid-19 Specific Informed Consent. By signing this form, I acknowledge that I am aware of, assume the risks involved and give consent to receive care from this practitioner. I understand and I agree to the terms of the 48 hour cancellation policy.
